## Highlighting Resources for Christian Education and Worship...

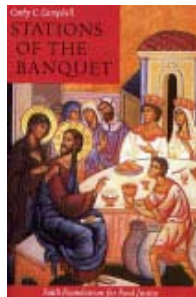

### EXTRA! EXTRA!

Resource Centre declares **amnesty** on delinquent and missing resources! Can you help us?

There are currently **245 items missing** from our holdings that are overdue - in some cases **SUBSTANTIALLY** overdue. So, until March 31, 2004, you are invited to return, **PENALTY FREE**, those Resource Centre items that may be gathering dust on a shelf or under the bed. Not sure if you have something out? Just call 1-866-888-6785 (ask for the Resource Centre) and we can check the list. Please return these items so others can use them! After March 31, we may need to contact the loan holders and request payment for the missing item.

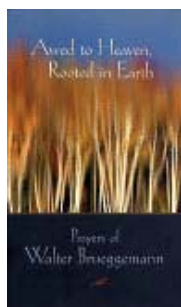

### Lent and Easter Resources

#### Stations of the Banquet

This Scripture-based exploration of the Christian story of salvation as a food story provides nourishment for those engaged in living out the food and justice challenges of the Gospel. It highlights the power of our biblical and theological traditions to name the root issues of our day, shape our hope, and define horizons for action. It is a resource for study and prayer.

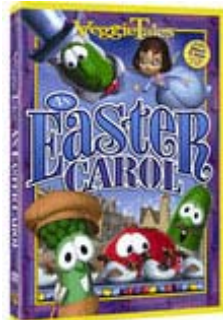

#### Awed to Heaven, Rooted in Earth

This thoughtful and inspiring collection of prayers by Walter Brueggemann emerged from over forty years of teaching. Full of reflection, faith and dialogue, the prayers reveal another side to this gifted author.

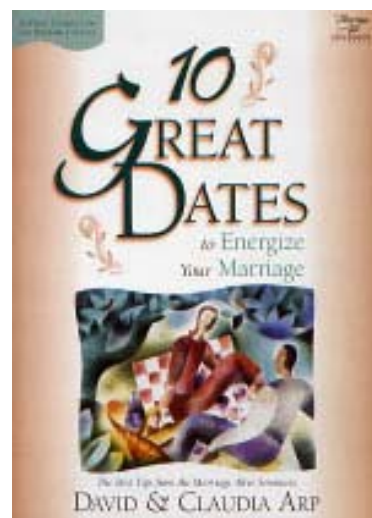

#### Veggie Tales Easter Carol

Ebenezer Nezzar is a proper London pickle, but he's pretty "foggy" about Easter. Chocolate eggs will make him lots of money, but they aren't the reason for the season. When an angelic visitor offers Ebenezer glimpses at Easter past, present, and future, he discovers what life might be like without the hope of Jesus. 45 minutes

#### 10 Great Dates

Dating doesn't have to be only a memory or just another boring evening at the movies. David and Claudia Arp have revolutionized dating by creating 10 Great Dates—memory-making evenings built on key, marriage-enriching themes. This approach to relationship

growth involves both partners, is low-key and best of all, is exciting, proven and FUN!

#### SEND US YOUR STUFF

The Resource Centre is always on the look-out for worship materials being created by congregations. Send us a copy of special services, litanies or celebrations that you have created. This passing on of resources enables us to share them with other congregations who are looking for ideas and inspiration. Thanks!
