Dear Pastors and members of Mennonite Church Canada congregations.

Palestine/Israel Resources

For many years Mennonites have witnessed to the good news of Jesus Christ in Israel and Palestine. Mennonite Church Canada has been a part of this witness. Hinke Loewen-Rudgers, a Witness worker now returned from three years of service in the city of Nazareth, Israel, has helped to initiate a partnership with several congregations in the Galilee region. We also continue to support the work of Bethlehem Bible College, a school in the West Bank that trains leaders of Arab Christian churches.

Through this work, as well as the work of other Mennonite agencies there, we are aware that the human rights situation in Palestine/Israel continues to be miserable and unjust. We have witnessed that a power imbalance of Israelis over Palestinians has failed to provide the longed for security in the region. The Israeli government's system of forced segregation, which some have called apartheid, plus the resulting oppression and violence, call us to advocate for a more just peace. Be it resolved that Mennonite Church Canada work with Mennonite Central Committee to provide congregations with resources to help churches and individuals discern and seek Christ-like responses to the ongoing lack of peace in Palestine/Israel.

A resolution moved, seconded and passed at the Mennonite Church Canada Assembly, Waterloo, Ontario, July 7, 2011.

In response to the this situation, and a resolution at the Mennonite Church Canada Assembly in Waterloo, Ontario in July 2011, we urge our churches to explore resources that will give understanding into the lack of peace in Palestine/Israel and to seek ways to be involved in building peace in this region. In cooperation with Mennonite Central Committee, a list of resources has been compiled to help congregations and individuals to gain understanding and to advocate for a more just peace in the "Holy Land". In addition to the attached list additional resources to be highlighted in future editions of Equipping. Please consider how your congregation, Sunday School, or small group can use some of the listed resources attached.

Mennonite Church Canada continues to relate to church partners in Palestine and Israel, and is collaborating with other Mennonite agencies active in the region. Your continued prayers and support are important as we together seek to be faithful followers of Jesus, the Prince of Peace. Palestine/Israel Resources
