Prayer Room Dedication

Prayer is desire for God.

We, as a church, have followed this desire by creating a Prayer Room.

We desire to nurture our relationship with God through prayer and intimate conversation with others on the spiritual journey.

We wish to designate a sacred space in which we focus on prayer, reflection, lectio divina, and other activities in which we open ourselves to contemplate and receive the Divine among us.

We set aside a space as a witness to our desire to focus on spiritual nourishment, our desire to abide in Jesus the Vine.

As we now dedicate the Prayer Room, we wish to acknowledge the energy and work that many have contributed to the Room’s creation: (list names). It has been a group effort, representing the church’s united support and vision for the room. We thank you for your work and we praise God for what has been accomplished.

Presentation of our gift:

We wish to present a gift to the use of the Prayer Room: The St. John's Bible edition of the Book of Psalms.

The Psalmist openly proclaims to God heartfelt words of awe and praise, anger and despair, abandonment and grief, faith and utter joy. May the Psalmist's words encourage us to bring all of ourselves before God and allow God to touch and move in our lives. May we allow ourselves to be planted like trees next to the Ever-flowing Divine Stream.
