Gifts and Interests Survey

One Congregation's Volunteer List

The Gift Discernment Committee has created a survey to gather information about the gifts and interests of those attending our congregation. This information will be entered into a computer database and will be a helpful tool for our committee.

Please help us by completing this survey, indicating where you have served or are currently serving and/or where you might consider serving in the future. Please note that you are not making a commitment to a particular role by completing this survey. We welcome and encourage anyone from Grade 9 and up to complete it.

Each ministry has a bold heading, followed by a list of the positions related to that ministry. This includes ministry team members, denoted by an asterisk (*), specific activities and task appointments.
