Heritage Fair connections

Conrad Stoesz, Mennonite Heritage Centre (MHC) Archivist, had the unique opportunity to serve as a judge at the first ever Hutterite Heritage Fair on May 20, 2016 at Silverwinds Hutterite Colony near Sperling, Man. Over 70 projects created by students in Grades 9-12 from 21 colonies were included. Projects explored Hutterite history through topics ranging from changes in women's roles and technology and the influences of popular culture to colony history, farming practices and Hutterite conscientious objectors in WWII.

"I was honored to be invited and have always enjoyed my experience in the Hutterite community," says Stoesz.
