Blessings to you in your fall ministry – and as you make plans for worship in the coming winter months. As Advent approaches, may the season of Christ's coming instruct and inspire you!

Looking for worship ideas, programs, stories, sermons, prayers, dramas, litanies?

The Resource Centre is here to help equip you in your important congregational ministry. Call me toll-free at 1-866-888-6785 (or 888-6781 in Winnipeg) or send an email to resources@mennonitechurch.ca. I'd love to chat, help talk through possibilities or link you with available resources. We circulate materials other congregations have submitted (and we welcome more of your original pieces!) and we make available published resources that share an Anabaptist identity or affinity.

Mennonite Church Canada is working hard to make materials more accessible to churches. **I want to alert you to two new developments:**

- Check out our ever-evolving **online catalogue**. All 10,000 titles housed at the Centre are available to peruse, borrow or download at www.mennonitechurch.ca/resourcecentre. (Book loans are free; videos are shipped to you at a discounted rate.) Make sure to also check out the *Resource/Ministry Sampler CD* enclosed in this *Equipping* package. It is a tutorial guide to our electronic catalogue.
- **Resource Update**, a monthly newsletter that arrives at your church in the *Equipping* package, is now also available as a free personal electronic subscription. Perhaps each of your worship committee members—and others—might have interest in receiving information about new and seasonal products. Simply contact me with your name, email address and phone number, or subscribe online at www.mennonitechurch.ca/resourcecentre/subscribe

I look forward to continuing to partner with you as we serve together in the ministry of the church. Blessings to your committee and to your congregation this fall.
