

Offering Prayer – God Our Provider

With thanksgiving we have gathered here today,
and with thanksgiving we offer you our gifts.
With joy we acknowledge that you are our deliverer
and there is nothing we lack if we have you.
Teach us how to use the gifts you have placed into our care
for the good of not just ourselves,
but for the good of all.
With faith we share with others
because in faith,
we believe you will continue to meet our needs.
Bless these gifts and those who will benefit from them. Amen.
