

# Offering Prayer – Called to Rejoice and Serve

Creator God,  
    you birthed us from your wisdom and bounty.  
You have blessed us and united us under divine love  
    by sending us your Spirit.  
Just as we are called to rejoice in Christ our Savior,  
    like him we are also summoned to serve the world  
    in the strength of your Spirit.  
Receive our offerings now,  
    that they might serve the needs of this world.  
Multiply the blessings of our gifts and talents Lord,  
    that your own offerings of love and truth  
    may bring transformation and healing.  
We pray in the name of Christ, Amen.
