

Benediction – Leave this House of Worship

Leave this house of worship now,
knowing you are the blessed children of God.

You are the family of God.

Leave this house of worship now,
seeking the hope of Christ.

You will not be disappointed.

Leave this house of worship now,
guided and encouraged by the Holy Spirit.

You, too, can be a guide and encourager.

By the power of the Creator, Christ, and Holy Spirit,
go in love; go in peace.
