

Call to Worship – The Path of Inclusion

Leader: Arise, shine; your light has come.

People: God's glory has risen upon us.

Leader: Even if darkness should cover the earth,
deep darkness cover the peoples,

**People: Nations shall come to you light,
kings to the brightness of your dawn.**

Leader: Nothing can hide God's glorious light.

**All: *Let us look to God and be radiant.
Let us reflect the brightness of this dawning.***
