

Prayer of Confession – We Confess Our Unawareness

All: We gather as your children on a journey, Lord.

Leader: Show us the barriers in our lives
that cause us to stray from your path.

**People: Forgive us for the times we forge ahead
without waiting for your guidance.**

Leader: Open our eyes to see the path you have set before us.

People: Open our ears to hear your voice.

Leader: Open our hearts and minds to trust your direction.

All: Guide our feet as we learn to walk in your ways.
