

# Prayer – Enough

Searching and all-knowing God,  
When the world says not good enough:

not thin enough,  
not smart enough,  
not manly or feminine enough,

God says: enough.

When the church says

not clean enough,  
not spiritual enough,  
not perfect enough,

God says: enough.

All that was made, God saw and declared good!

Teach us to live our lives

by your vision of humanity,  
by your purpose for the church,  
by your hope for the future.

With the power of the Holy Spirit,

and through Jesus' example of servanthood,  
we pray. Amen.
