

Confession – Holy and Present God

Our holy and present God,
we recognize your power to transform our lives.
We confess that we have not always listened
to you as closely as we should.
We have not always acknowledged your presence.
We have not always followed your lead.

(silent prayer)

God, we know that your grace and mercy extends to us.
May your grace cause us to listen more closely,
and may your mercy guide us into your ways. Amen.
