

Invocation – Our Sovereign

O Lord, our Sovereign,
how majestic is your name in all the earth!
When we look at the work of your cosmic fingers,
we wonder that you are mindful of us;
that you care for us, such as we are.
We are filled with grateful awe
that you long to commune with us, your children.
May this hour of worship
be a time of sweet communion with you,
our Lord and gracious table Host. Amen.
