

Proclaiming – God Who Cares Deeply

Leader: Praise be to God, the Lord of hosts,
who cares deeply about his people,
and knows us like a mother knows her child.

**People: Thanks be to God who sees our hearts,
who holds us when we hurt,
who runs to us when cry out.**

Leader: The poor shall eat and be filled,
and those who seek the Lord will find the Lord.

**People: All the families of the earth shall be blessed,
and the nations shall fall down and worship the Lord.**

Leader: Come! Gather as one people,
join together with one heart.

*All: Let us stand together this day as brothers and sisters
and proclaim the goodness of the Lord.*
