

# Congregational Prayer – Contentment in You

O God, our God, help us to find contentment in you.

Help us to not be lured away,  
endlessly seeking more and more and more.

Help us to be humble and courageous enough to trust in you,  
ready to share your goodness and love with our neighbors.

For we know this is the way to build a strong foundation  
and a rich life full of many treasures. Amen.
