

Dedication Prayer – We are the Lord’s

Leader: Lord of the living and the dead, as we enter another year of learning, we ask you to help us find our roots in the story of your people.

People: Whether we are teachers or learners, help us to live in the Lord and to thankfully reflect your mercy, grace, and steadfast love.

Leader: Bless those who teach by helping them teach with godly wisdom. Bless those who learn by inspiring them to see you at work through your servants.

People: Bless all places of learning so that your children proclaim, “We are the Lord’s.” Amen.
