

Gathering – One Heart and Mind

Leader: Dear Lord Jesus, Word made flesh to bring into focus the glory of the Father, we come to worship you.

People: **As you prayed for your disciples present and future, so we pray that we would be made holy—consecrated—with the truth.**

Leader: As God gave you a mission in the world, strengthen us to accept our mission in the world.

People: **As you, Lord Jesus, prayed for those who will believe in you, so we pray that people would know you as we bear witness about you.**

Leader: God, may we all become one heart and mind—

All: so the world might believe that you sent Jesus, and love us in the same way you love Jesus. Amen.
