

# Praying – Forgive Us Our Sins

Loving God,

we confess that our lives do not always reflect our  
walk with Christ.

Too often we have placed our confidence in the values of the world  
which leaves us unsatisfied and lost.

Forgive us for this ill-placed confidence.

Help us to experience more deeply the surpassing value of knowing Christ Jesus;  
to see the life-giving possibilities that bring peace, justice,  
and joy to us and to the world. Amen.
