

# Sending – You are Witnesses

Triune God, may we, gifted to Jesus,  
    remain in him, so we can know his glory and splendor.  
Many have never known you,  
    but Jesus has known you and,  
    along with a great cloud of witnesses,  
    we know you incarnated Jesus with a mission.  
Jesus made your very being known to us—  
    and continues to make it known,  
    so that your love might be known to the world through us.  
Amen.
