

Praising/Adoring – Sing Praise to the Lord

Leader: May God arise, may his enemies be scattered.
May his foes flee before him.

**People: But may the righteous be glad and rejoice before
God; may they be happy and joyful.**

Leader: Sing to God, sing praise to his name.
Sing to the one who rides on the clouds—
his name is the Lord. Rejoice before him.

**People: Sing to God, O kingdoms of the earth.
Sing praise to the Lord.**

Leader: Proclaim the power of God.
God gives power and strength to his people.

All: We praise our awesome God!
