

Gathering – God Speaks to Us

Leader: What are you doing here?

People: We have come out of habit, with few expectations.

Leader: What are you doing here?

**People: We have come out of curiosity,
to find something we need.**

Leader: What are you doing here?

**People: We have come out of longing,
to hear the voice of God.**

Leader: Expect to find that God is here among us
and speaks to us—

not in the high drama of earthquakes and fire,
but in the dazzling spaces between our words and
in the silence we share together.

(silence)
