

# Call to Worship – God our Shepherd

Leader: Come, let us worship!

**People: The Lord is our Shepherd,  
we have all we need.**

Leader: Come, the gate is open!

Let us enter and find nourishment and rest.

**People: Our Shepherd invites us  
to lie down in green pastures,  
to drink deeply from still waters.**

Leader: Come! Follow the One who offers life to the full.

**People: Let us listen and follow the voice  
of the One who loves us.  
Let us share God's abundance  
with glad and generous hearts!**
