

# Offering Prayer – Nudged to Generosity

God, we ask that you help turn our having to gratitude,  
our gratitude to trust,  
and our trust to generosity.

May our compassion for others  
be stronger than our fears of not having enough,  
and the message of Jesus  
more powerful than the beckoning of the mall.

By your Spirit's nudging,  
help us to keep on giving  
until everyone has enough  
and no one has too much. Amen.
