

# Gathering – Our Magnificent God

Leader: The Lord is the Creator of the universe,  
the Father and Mother of all of us,  
the Protector of the weak,  
the Rescuer of the captives,  
a Guide for those in the wilderness,  
the Giver of good gifts to the needy.

**People: Having experienced the magnificence of this God,  
we will raise our hearts in praise,  
our voices in joyful song.**

*All: Let us sing praises to our God.  
Let us worship the One who cares for us.*
