

Confessing/Reconciling – We Neglect Our Calling

*All: O God of unlimited grace and unconditional love,
we confess we have been forgetful of the story that healed us,
and neglectful of our calling to tell it.*

*We have been forgetful of your gift of forgiveness,
and neglectful of our calling to forgive others.*

(silence)

Leader: By the gift of God's forgiveness in Jesus,
you have been freed from all your sins.
You have been made whole by God's healing;
you have been empowered to live as agents of forgiveness.
