

# Confessing/Reconciling – We Have Worked Against You

*(Read in unison)*

We confess that in our confusion and anxiety,  
we have worked against your dream for us and our world,  
denied our relationship of love with you,  
doubted your presence in our lives,  
and resisted your invitation to follow Jesus.

Forgive us our sinning.

Renew our love for you.

Restore your invitation to us to follow Jesus  
in everyday life and in all our relationships. Amen.
