

Confessing/Reconciling – Forgive Us

Leader: God of glory, who loves us to the end,
when we think of ourselves as greater than we are,

All: forgive us.

Leader: When we participate in acts of greed,

All: forgive us.

Leader: When we divide people into *us* and *them*,

All: forgive us.

Leader: Cleanse us with the water of life
so that your healing and hope
might flow through us to the world. Amen.
