

# Prayer – Blow, Wind of God

Rushing wind, blow through the calm of our complacency.  
Rouse us from our unconsciousness  
and awaken us to your movement around and within us.  
Shake us out of our automated existence  
and provoke us to live intentionally.  
Breathe the breath of life into our stale souls  
and renew our amazement of this life and your hand in it.  
In the name of the Holy Spirit we pray. Amen.
