

Confessing Faith – Good News and Boundless Love

Leader: We believe that the good news of Jesus Christ is for all people.

**People: For those who have more money than us
and those who have less,
for the Jew and the Gentile,
for people of all races and ethnic groups,
for the people we love
and for those with whom we do not get along.**

Leader: We believe that the love of God is boundless.

**People: The gifts and the calling of God are irrevocable.
God's mercy is for all nations and generations.**

All: This is our faith.
