

# Call to Worship – Worship Filled With Praise

We gather to worship the God of Abraham and Sarah.

We lift our eyes to the heavens.

We look around us here on the earth.

All of this is sustained by the God  
who brings deliverance and salvation.

Let our worship be filled with praise  
for the One who offers grace and mercy.

We gather to worship the Messiah,  
the Son of the living God.

We are many members  
but meet together as one body in Christ.

Let our worship be filled with praise  
for the One who offers hope and life.
