

Offering Prayer – Peace and Justice

God of peace and God of justice,
when we pray for the peace and justice of your beloved world,
we look at the coins in our pockets or the numbers in our bank accounts and we wonder,
how do our dollars make a difference in what you're doing in the world?
But we trust that the habits of our giving transform the habits of our hearts,
and that the convictions of our spending witness to the convictions of our faith.
And that even a drop in the offering basket makes us part of what you're up to.
Bless all that we give for all that you desire. Amen.
