

Call to Worship – God’s Deliverance

Leader: Let all who fear the Lord shout their praise!
All you children of faith honor the Lord!

**People: God neither ignores nor belittles
the suffering of the needy.**

Leader: We acknowledge and turn to the Lord,
and not only we ourselves—

**People: future generations also will hear of God’s great wonders,
and those not yet born will experience God’s deliverance.**

All: They will hear about everything our God has done.
