

Call to Worship – Beloved Children of God

Leader: We gather as beloved children of God.

**People: We are each chosen.
We are each delightful.**

Leader: We are all servants upheld by God
and filled with God's Spirit to bring forth justice.

**People: We each receive our breath from the same God
who stretched the heavens and spread out the Earth.**

Leader: God holds each hand.

People: God keeps each heart.

Leader: God opens our eyes
To see the new things about to spring forth.

People: Let us listen.

Leader: Let us watch.

People: Let us worship.
