

Prayer – For this Beautiful and Broken World

(A prayer of thanksgiving and intercession)

Holy God,
For myself, for those I love, for this beautiful and broken world—
I offer this prayer.

Tend to us as a loving, skilled gardener tends to her plants,
Giving more care to those most vulnerable.

And with this petition receive my praise:
For axes halted,
For compost applied,
For all that nourishes,
For all good that grows.

Thanks be to you,
Great giver of Life.

Amen.
