

Prayer – You Are My Hiding Place

(A prayer of thanksgiving and intercession)

God, you are my hiding place, my refuge,
My home.

Thank you for kind words,
For comfortable spaces,
For familiar faces.

Thank you for the work of tending a place,
For the challenge of intimate relationships,
For the connections that shape us.

I pray for those seeking home—
For those without a safe place to live;
For those without relationships that nourish and sustain;
For those who feel distant from your loving presence,

For those struggling to find their place in the world.
Hear my prayer and grant your peace.

Amen
