

Confessing Faith – We Trust in Our God

Leader: God, many of us are believers today
because our parents, like Timothy's mother,
taught us to trust you,
even as we trusted them to care for us each day and night.

People: You are our God and we trust in you.

Leader: Others of us confess Christ
because your faithful messengers patiently shared your Word,
convincing us by their preaching and example
that your Word is true.

People: You are our God and we trust in you.

Leader: You also bless those of us who, like Jacob,
have struggled with you.
Now you have given us new identities in Christ.

People: You are our God and we trust in you.

Leader: We have asked you for justice and you have responded
by giving us not only justice, but also mercy.

All: You are our God and we trust in you.
