

Proclaiming Faith – We Will Tell of Healing and Hope

Leader: God, your word cannot be chained or confined.
An Israelite girl shared good news with her captors.
Paul proclaimed your message in prison.

People: We, too, will tell of your healing and hope.

Leader: Lord, we do not deserve your cleansing mercy.
Yet you cleansed the ten men who had leprosy
when they called out for pity.
You healed Naaman
when he followed the prophet's instructions.

People: By faith, we seek your cleansing.

Leader: Lord, you keep your covenant with your people.

People: We thank you for your faithfulness. Amen.
