

Sending Prayer – Let us go now

Christmas Eve

Lord you can hear the angels in the tumult of the heavens
you can also hear the quiet prayers of our hearts.
Hear our prayers O God.

Silence

Lord we extinguish our lights now,
remembering that you are the light of the world,
extinguished on the cross for us, and for our salvation.
We hold the light you shared with us in our hearts,
as Mary held the news of your coming in her heart.
As the stars shine down on us this night,
let us go now to be your lights in the world;
sharing the bread of your love,
and holding the light of your presence in our hearts. Amen.
Go in Peace.
