

Prayer – Mothering God

Mothering God, Giver of Life,
who hovered over the deep at the beginning of time,
who soars like an eagle who gathers her brood under her wings,
who descended from heaven as a dove:

Open our eyes to see you today.

Open our ears to hear your song.

Open our spirits to sense your presence here in this place.

Open our minds to new insights, and

Open our hearts to a deeper connection with you
and with all the feathered ones you see and love. Amen.
