Subject: Merry Christmas

Merry Christmas from CommonWord!

We are grateful for the many interactions we have had with you this past year – in-store, online, off-site or via phone/email.

Thank you for allowing us to serve you in 2018. We look forward to further conversations in 2019!

May you know the peace of Christ this holiday season, and into the new year.

We will be closed from December 22 – January 1
