# United Nations International Day for the Elimination of Racial Discrimination

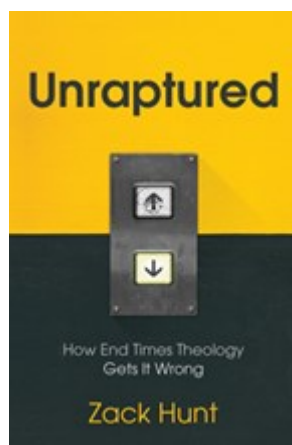

The International Day for the Elimination of Racial Discrimination is observed annually on 21 March. On that day, in 1960, police opened fire and killed 69 people at a peaceful demonstration in Sharpeville, South Africa, against the apartheid "pass laws". Proclaiming the Day in 1966, the General Assembly called on the international community to redouble its efforts to eliminate all forms of racial discrimination. # Doctrine of Discovery

Doctrine of Discovery is an online, video response to the Anglican Church Primate's Commission on Discovery, Reconciliation and Justice. The purpose of this film is to respond to the Truth and Reconciliation Commission's Calls to Action by helping to provide education and insight into the racist foundations of many of our property and other laws still in existence to this day. You can download the video by visiting [www.commonword.ca/go/1767](http://www.commonword.ca/go/1767).
