An evening with
Don Neufeld and friends

Salt of the Earth: A Christian Seasons Calendar, 2019-20

This unique calendar tells the story of the Christian year through scripture, liturgical colour, and artwork. By focusing on the Christian seasons, it offers an alternate way of remembering, and living in, the story of Jesus Christ.

Please note that this calendar, accordingly, begins on the first day of Advent (December 1, 2019), a month ahead of typical calendars.
