# Indigenous-Settler Relations

A Curated Collection

VIEW

**June was National Indigenous History Month in Canada.  
But our reading and engagement must continue –  
until systemic racism is dismantled, and our own hearts are  
decolonized.**

**CommonWord has hundreds of resources for the church and the  
individual –  
to better understand residential schools, treaties, the TRC,  
decolonization, Doctrine of Discovery, UNDRIP, land reparation,  
and more.**

# The MennoCast

A new podcast featuring genuine, enriching, and stimulating conversations about faith from an Anabaptist perspective.

[Listen and subscribe here](#)

**CommonWord is pleased to partner with The MennoCast team (hosts Moses Falco, Carrie Lehn, Ryan Dueck, and their Advisory Group).**

**They write:**

*“As followers of Jesus, and pastors within the Mennonite Church Canada tradition, we’ve seen how much the focus has shifted to local congregations as the hub of Christian ministry.*

*But the Church is so much bigger than just our local expressions. This is our way of connecting the church together, listening to each other’s voices, and inviting others to journey together with us.”*

**The pilot season was launched this week**

with a Trailer and the first episode with Meghan Larissa Good,

author of *The Bible Unwrapped: Making Sense of Scripture Today* –
