Season of Creation

Let Justice Roll Down

A series of congregational prayers for the 5 Sundays of this season (Sept 3 – Oct 1)

Provided by Mennonite Church Saskatchewan

Based on Amos 5:24

Prayer Series – Season of Creation

Year A – Let Justice Roll Down

Key text: Amos 5:24

Churches throughout the world have begun to mark the period from September 1 to October 4 (5 Sundays) as the "season of creation." At a time when the vulnerability of God's creation to human activity has become a matter of vital concern, we have an opportunity to focus on appreciating and better understanding the "natural" world, and to work on restoring our relationship with it under God. This year's focus is "Let justice roll down" (Amos 5:24) – a reminder that the way we relate to the rest of creation affects the livelihood of our fellow human beings, both locally and globally.

To mark this time, we have prepared prayers for each Sunday during the Season of Creation fitting a theme in one of the passages in the Revised Common Lectionary for that day. There are also PowerPoint slides that can be used to assist your congregation. The prayers may be read in unison or by designated leaders. Scripture references may be read out loud by the leader.

These resources will also be available on the Mennonite Church Saskatchewan website - <https://mcsask.ca/>. We would love to hear your feedback on how these prayers were used and received by your congregation. You can find more about the Season of Creation, including various resources, at <https://seasonofcreation.org>. Also see CommonWord's extensive list of "Creation Care" materials – to buy, borrow, or access online – <https://www.commonword.ca/go/2256>.

May these prayers of confession and re-commitment lead you and your congregation into God's presence with a renewed spirit of engagement and action.
